Message from the Principal

THIS FRIDAY 31ST MAY IS A PUPIL FREE DAY

The Maths incursion this week was a huge success; many thanks to all the parents who participated.

We receive details of many community based programs and programs on offer at other schools, that run after school or in the holidays. We advertise these in the Community section of the newsletter. It is very worthwhile checking this out especially if you require some activities for the holidays. A reminder of the pupil free day this Friday. Please note that all schools can now set their pupil free days at times that suit the program of the school. Don't get confused if you do see students from other schools in uniform on Friday as it is probably because their school has selected another day.

The office will be open on Friday but with a reduced service as staff are attending professional development. We would be grateful if parents could leave any non urgent enquiries until Tuesday 4th June.

Many thanks and enjoy the long weekend.

Jane Rowlands

SCHOOL BOARD

There is a meeting of the School Board this Thursday evening at 7pm in the library. The agenda is primarily on governance matters. The next meeting is on Thursday 17th June at 7pm in the library.

PUPIL FREE DAY

This Friday 31st May is a pupil free day. Teaching staff will participate in a professional learning program with staff from City Beach and Wembley Downs Primary Schools. The morning session focuses on the new Australian Curriculum in Science. The afternoon session is a moderating session on aspects of English. Teachers from all schools compare samples of student work against the standards to validate grades for mid year reports. Office staff and education assistants will participate in a recognised First Aid course at Wembley Downs Primary School.

PROFESSOR MATHS TRAVELLING ROADSHOW INCURSION

Last week all students from Kindy to Year 7 participated in a hands on Maths Activity Day. It was great to see all students so engaged, challenging themselves and having so much fun!

'Professor Maths' (Narelle) specifically noted the excellent behaviour of our Kapinara students and the large number of parents who joined each session.

Parent participation and involvement in the school is highly valued and encouraged at Kapinara.

Thank you very much to all those parents who came along.

Sports Pitch

SPORTS PITCH

Plenty is happening with sport at school this term. We have so far participated in three rounds of interschool sport against Floreat, Woodlands and West Leederville. This Friday we have a bye due to the PD day but we will commence again in Week 5.

RUNNING CLUB

It is good to see that the number of students attending running club is increasing. Running club is held after school at 3.00 on a Monday and before school at 7.45 on a Wednesday.

AASC

Auskick on a Wednesday after school is proving popular. Last week on Thursday, however, we had a problem when the Sofcrosse people were unavailable. Should that happen again, the Sofcrosse people will join in with the footballers to ensure they are properly supervised.

THURSDAY FOOTBALL

Mr Hodgson will be running Football on a Thursday afternoon. It is a low key approach with Mr Hodgson umpiring two random teams. Boys and girls from Year 3 to 7 are welcome to join in.
